Make A Change

Non-profit association

<http://www.makeachange.it/>

Vision

Make a Change wishes to promote and develop in Italy, the creation of social enterprises

Mission/objectives

A movement that wishes to change the system from within. It wants to place a new asset class for responsible investing alongside traditional business: social business, where money is considered a tool whose function is to produce wealth for the community.

Target

Individuals, companies, non-profit organizations.

Network

MBSConsulting SpA, OLTRE Gestioni, Key2People; Antonio Andreoni; Marianna Benatti, Valeria Benatti, Tatiana Biagioni, Marco Colnaghi, Davide Dal Maso, Lamberto Mancini, Tomaso Marzotto Caotorta, Bruno Pastore, Felice Scalvini, Roberta Silva, Federico Versace

Main activities

Make a Change favours the creation of new social enterprises in two different ways:

- Initiatives in partnership with for-profit companies selected for the joint development of projects/new social enterprises.
- Financial, managerial and operational support for the winning enterprises in the competition "the best job in the world".

Make a Change operates as a business Observatory for social enterprises in Italy, favouring the exchange of experiences and monitoring results in terms of social change.

Social Businesses

Project that won the "competition" "the best job in the world":
La locanda dei buoni e cattivi - Domus de Luna

Contacts

Piazza Ercolea, 11 20122 Milano
Tel 02-87387371 Fax 02-8693862

Social Business Earth <http://www.socialbusinessearth.org/italiano/>

Non-profit association

Mission/objectives

Social Business Earth (SBE) is a social business centre based in Lugano, Switzerland, whose business goal is to solve social problems and not maximize profit. SBE aims to raise awareness and implement Social Business. By interacting with universities, the private sector, NGOs, doctors, artists, private investors and individuals who wish to make the world a better place, their final goal is to eradicate poverty and solve society's most pressing problems by developing consciousness in economic leadership and implementing new innovative social business models that can be replicated in order to improve the lives of the disadvantaged as well as the economic system as a whole

Target

Students, universities, entrepreneurs, non-profit organizations, media, individuals and investors

Network

Samantha Caccamo, Founder, Social Business Earth
Yunus Centre, Dhaka, Bangladesh

Main activities

Create new Social Businesses to solve society's most urgent economic, social and environmental issues. Educate, connect and collaborate with universities, high schools and other institutions to integrate Social Business into research, teaching and practice. Involve the Arts such as the music industry, fashion and other artistic fields in Social Business. Organize events on Social Business.

Social Business

- Building an Ear Hospital as a social business in a rural area of Bangladesh to treat hearing impairments (Type II)
- Social Business to prevent and treat Rickets in Bangladeshi children (Type I)
- Social Business to prevent drug use and prostitution in Bangladesh (Type II)
- Social Business in Varese, Italy, for job creation to improve the lives of street vendors mainly immigrants, who live below the poverty line (Type II)
- Social Business in Lugano, Switzerland to decrease youth unemployment (Type II)
- Social Business in Bangladesh to solve the problem of arsenic contaminated water (Type I)
